Ref: Gen/16-17/1024/R2V/Review   Dated: 19th Dec 2016

To,
Neeraj Gutgutia
CEO, Right2Vote

Subject: Review – Right2Vote voting and feedback platform.

We provide various corporate education services and have trained 12,500+ professionals from large corporate houses (such as ITC Ltd., Tata Chemicals Ltd., HSBC, Capgemini, Genpact, ICRA, etc.) to elite educational institutes (IIT KGP, Presidency University, Jadavpur University, NSIT Delhi, etc.) in India and in the US. We've presence in Bangalore, Kolkata, Delhi and Pune. We also conduct various online courses.

We've successfully tested Right2Vote to facilitate student feedback, course reviews, and event voting. We've liked the following features specifically:

1. **Efficient Mobile Based Voting & Feedback**: Ability to efficiently conduct mobile based voting and feedback.
2. **Security Features**: Various security features availability to ensure user data security.
3. **Ease of Use, Availability on Mobile:** Ease of use on any smartphone, even on low Internet speed geographies.
4. **No End-User Training Required**: No training required for any user to use.
5. **SMS Notification**: SMS notification feature to inform the users of a new poll / feedback
6. **Variety of Question Types**: Ability to easily create a variety of question type (along with images)

We are now planning to use Right2Vote in larger scale to conduct critical voting and feedback across all our geographies and online. We would highly recommend Right2Vote.

Sincerely,

Prateek Agrawal | Director
